

PROGRAM: Bachelor of Science in Information Technology

Art Appreciation
GEED 006

FINAL EXAMINATION
1st Sem / AY 2025-2026

Name _____ Date _____ Score: _____ Yr. & Sec. _____

Project Overview:

- Your class will produce a **Photography E-Magazine**, showcasing your collective creativity, technical skill, and understanding of photography genres.
- Students will be divided into **(5-10) groups**.
- Each group will conceptualize, design, and compile an **E-Magazine** featuring curated photographs taken by the members.

Grouping and Roles:

Each group must assign the following roles (roles may overlap if needed):

- **Lead Photographer** – oversees quality and ensures genre requirements are met
- **Layout & Design Artist** – arranges photos and text in the e-magazine
- **Writer/Copy Editor** – writes captions, introductions, and short descriptions
- **Project Manager** – organizes deadlines and ensures submission requirements are complete

Note: All members must contribute photographs.

Photography Requirements:

Each group must submit:

- **10 Original Photographs Total**
- Each photo must belong to one of the allowed genres (below).
- A group may feature **multiple genres**, but must include **at least 4 different genres**.

Allowed Photography Genres:

1. Portrait Photography
2. Landscape Photography
3. Still Life Photography
4. Street Photography
5. Architectural Photography
6. Macro Photography
7. Sports/Action Photography
8. Event Photography
9. Documentary Photography
10. Creative/Conceptual Photography

Note: Each group should select genres that best fit their chosen magazine theme.

E-Magazine Format & Content----

Each E-Magazine must include:

1. Cover Page

- Magazine title
- Group name / members
- Featured photograph

2. Table of Contents

3. Editorial/Introduction Page

Explain your magazine theme, inspiration, and genre selection.

4. Photo Gallery Section

For each of the 8 photos, include:

- Title
- Photo (original)
- Genre
- 1–3 sentence description
- Composition techniques used

5. Behind-the-Scenes Page (Optional but encouraged)

Short explanation of your shooting process, challenges, or creative choices.

6. References / Credits Page

Acknowledge team roles and tools used.

Design Notes

- You may use **Canva, PowerPoint, Google Slides, or any layout tool** as long as the final output is in **PDF or digital magazine format (.pdf or .pptx)**.
- Maintain a **clean, consistent design theme** throughout.

Required Photography Techniques:

At least **three (3)** composition techniques must be evident across the group's photos:

- Rule of Thirds
- Leading Lines
- Depth of Field
- Symmetry/Patterns
- Framing
- Perspective & Angle Play
- Use of Natural/Artificial Light

Note: Groups must identify which techniques appear in each photo.

Submission Requirements:

- Submit the final **E-Magazine in PDF or PPTX format**.
- Include the 8 original photos in a separate folder.
- File name format: **Group#_PhotographyEMagazine.pdf**
- Deadline: 01/12/2026 until 11:59 p.m.
